Our Personalities—How we handle ourselves both on and off the microphone: We very much emulate the personality of a maitre'd at a nice restaurant. All of our DJ's take charge of coordinating your reception, working with the catering staff and your other professionals to keep your guests entertained and things running smoothly. We display a quiet confidence both on and off the microphone and while we keep everyone involved, we do so in a fun, sophisticated and non obtrusive way.

Our Music Selection—During cocktail hour we play a mixture of classic jazz from artists like Ella Fitzgerald, Tony Bennett and Norah Jones. Dinner music will be soft and romantic...songs you know, songs to sing along to. Then we lead into great dance music that will involve all of your guests. It is also helpful to get suggestions from you before the event as to "must plays" and songs you would like to avoid.

So far, we've described the styles of our entire DJ staff. There are a few things that some of us do better than others. Let us know if any of these apply:

Interactive skills—The ability to get the crowd involved with group dances or ice-breakers.

Special Music Knowledge—If you're looking for someone that has better than average knowledge of Big Band, Latin, Country Music or can mix like the hottest club DJ's let us know.

If what you're reading hasn't really helped you pick one of our staff members over another, you are not alone. When we took on additional partners we searched for talented people with great personalities. We constantly share ideas and spend so much time together that we have become so similar in our styles that there truly is not a huge difference in our performances. We are Denon & Doyle.

If you still would like to find a way to select one of us over another, we suggest you speak to the other professionals you have hired to see if they may have a favorite—or see for yourself at our monthly showcases.

WHAT SETS DENON & DOYLE APART FROM OTHERS?

Twenty years of experience at more weddings than any other company in The Bay Area uniquely positions us as the **leader in the region**.

WHO ARE YOUR DISC JOCKEYS?

Our company is comprised of seasoned personalities who have an enormous amount of wedding entertainment experience. Their skills are kept sharp by busy wedding schedules, workshops and the sharing of experiences and ideas among the DJ staff.

HOW DO WE SEE YOU PERFORM?

Each month at our complimentary Wedding Showcases, dozens of couples meet the DJ's and gather invaluable information to help them plan their Wedding Reception. You'll find our Wedding Showcases relaxed, fun and informative. By the way, in case you're wondering, **we would never send potential clients to view the DJ at someone's Wedding!**

WHAT WILL THE DJ WEAR?

A classic black tuxedo, unless you request otherwise.

I'M GOING TO NEED A LOT OF GUIDANCE AS I PLAN MY WEDDING. CAN YOU HELP?

One of the most important services we offer, which is part of hiring our DJ's, is the assistance of our office staff. We'll help you carefully plan every detail.

WILL THE DJ PLAY MY REQUESTS?

Absolutely. Contrary to the beliefs of some people, **WE KNOW** it's your day. Your DJ will play the songs on the music list that you've highlighted and steer clear of those that you've crossed out. With your permission, they will take your guests requests as well, provided they fit within the music program you've designed.

WHAT IF WE WANT TO HEAR A SONG THAT'S NOT ON THE PLAYLIST?

Beyond what you see on our music list, we have a master music library that contains more than **1 MILLION SONGS**, virtually everything popular from the Big Band Era to today's Top 40. So, if you don't see a particular selection, call us, there's a good chance that it's in our library.

DO I HAVE TO PICK ALL THE MUSIC?

No. We believe that the best events are those where you've given us guidelines and we do what we do best.

WHAT DOES THE EQUIPMENT LOOK LIKE?

You'll be happy to know that we believe in filling the room with sound **NOT** equipment. Our CD sound systems are attractive, compact and deliver high quality coverage. They include a wireless microphone for all of your announcements and toasts. You will not need to supply cables or tables, **only an outlet**. Plus, we take the time to hide all of the wires and cables out of site.

MY MOTHER IS CONCERNED ABOUT THE VOLUME LEVEL. WHAT DO I TELL HER?

There's nothing worse than having to yell over loud music. We are very conscience of people's sensitivity to noise. The speakers are placed above the ear-level of the guests and your DJ will continuously monitor the sound level. We get very few complaints.

OUR COCKTAIL HOUR IS GOING TO BE IN A SEPARATE ROOM FROM THE RECEPTION. IS THAT A PROBLEM?

No. We suggest that you opt for us to set up a second sound system which allows for uninterrupted music as your guests mingle and enjoy hors d'oeuvres.

DO YOU HAVE BACK-UP EQUIPMENT?

Yes. We bring plenty of extra gear...just in case.

DO YOU PROVIDE MUSIC FOR THE CEREMONY?

We often provide the ceremony music. Let us know if the ceremony is in the same area as the reception or a different location. We'll handle it and be happy to share our ideas for processionals, recessionals and classical pieces.

DO YOU PUT UP ANY SIGNS OR BANNERS?

No. No Way. Never.

WHAT IF (DUE TO AN EMERGENCY) MY DJ CAN'T MAKE IT TO THE RECEPTION?

If the DJ is admitted to the hospital with two broken legs and pneumonia, we will send our on-call DJ to your reception. Though rarely used, we have a DJ on-call 365 days of the year, just in case. **In our twenty year history, D & D has never missed an event.**

OUR RECEPTION WILL BE HELD IN SANTA CRUZ, DO YOU TRAVEL?

Yes. We travel throughout Northern California and charge a reasonable travel fee to locations outside of The Bay Area. There is no travel fee for receptions held in The Bay Area.

DOES THE DJ REQUIRE A MEAL?

Most per-meal charges are pricey; please do not feel compelled to include the DJ in the meal count, many times the DJ's can "fend for themselves". You may wish to ask your caterer if "vendor meals" are provided.

IS IT APPROPRIATE TO TIP THE DJ?

The DJ's don't expect a tip. If you feel your disc jockey has delivered exceptional service, a tip will be a pleasant surprise.

WHAT IF, AT THE RECEPTION, WE WANT THE DJ TO PLAY BEYOND THE CONTRACTED TIME?

If it's an evening event, no problem. The DJ would rather stay and party than go home. Simply authorize the DJ to stay as long as you want.

we won't convince you to hire denon & doyle...

our clients will!

Every time Mike & I turned around to dance or look at the dance floor it was packed. We will be forever grateful to you. You were absolutely phenomenal!! You were the only vendor that worried about me (the bride). You also listened to us and worked your magic. The Showcases are great! I think everyone should go to one. I would hire you again. Every person we spoke with on the phone was knowledgeable, kind, and professional. The DVD was useful since we live outside of CA and were unable to attend a showcase. Our DJ was fabulous –everything we hoped for & more, truly exceeding our expectations. Thank you for all you've done that made our wedding & reception so enjoyable & memorable. We would whole heartedly recommend Denon & Doyle to others considering your services."

We never realized how overwhelmed we would be until the day arrived and we didn't know which way was up. We wanted to thank you for making sure our introduction song got played and for making sure we had everything we needed. Trust me you went well beyond what you had to do to make sure that we were taken care of. I would recommend your company to anyone who asked. Thank you again for all of your help."

"There are not enough words to describe the buzz among my family and friends. It was an absolutely amazing reception and all the thanks goes to Solomon!!! He did exactly what I had asked and delivered above and beyond my expectations. He kept the party going well into the night and all our feet paid the price the next morning. I am so excited to refer Solomon to the next family or friend needing a DJ. I truly cannot thank him enough for all he did to make our reception run so smoothly. The kids drawing pictures of us was a huge hit...not just for the kids but the parents also got a chance to eat in peace. Such great ideas and his personality matched our crowd perfectly!"

"Chad did an absolutely fabulous job. He had every one of our guests on the dance floor all night long. Everyone enjoyed how much fun he was having with the music as well. We could not have asked for a better DJ or a better wedding. We actually had people on the dance floor between salad and dinner. So fabulous!"

"I keep getting compliments from our guests about what a great job you did. You made our reception very special to the both of us and our family and friends. We really appreciated it. Thanks again."

–Aimee and Austin

"I knew that your company was professional and highly regarded when your name appeared time and time again on countless hotels preferred vendor lists. The office staff was helpful, even when I called on a holiday! (I was clueless and I blame bridal paranoia) You were the only company that contacted me before the wedding... usually it is the other way around. You came in, fully prepared and on-time (a huge deal for me), ready for some fun. The dance floor was never empty. Guests are still calling me and telling me what a great time they had at the reception."

–Lani & Bobby Knowlton
Garden Court Hotel

"We were positively thrilled with our entire experience with your company. In the beginning when you are planning a wedding, the multitude of choices can be overwhelming. A recommendation from one of my bridesmaids (a wedding coordinator by day) and the mention of your name in Here Comes The Guide compelled me to call as I shopped around. The packet of information arrived expediently and was full of useful tidbits that cemented our decision to go with your company. We did contact some DJ's whose cost was slightly lower, but they clearly lacked the professionalism we were seeking. I will enthusiastically recommend your services to anyone looking to have the best in musical entertainment at their event."

–Brittany and Darren Stevens
Pacific Athletic Club

"You made our wedding unforgettable. We were shocked to hear that the DJ's wife had had a baby the day before our wedding and he still showed up and made our day unforgettable. That really showed how committed your company is to providing superior service. Thank you so much."

–The Blethroads
Lafayette Park Hotel & Spa

"We wanted to thank you for making our wedding reception a great experience. We appreciate your listening to our requests for the day and your using your expertise to make adjustments along the way. As you know, wedding planning involves a lot of service & vendors. We have to say that your staff were the most friendly, the most knowledgeable & the most professional of all the people we interacted with as we made preparations. We appreciate you and all that you do to make each wedding reception (and every other event) a success. You do wonderful work!"

–Jasper & Donna Bui

"Thanks so much!! Everything was great!! We all enjoyed ourselves and enjoyed having Gautam DJ for us. I will keep using you guys. I have used you 3 times now and you always come through. (I have 4 other children)."

–Sharon Price

"We were impressed by the energy as well as the professionalism. You provided top notch service from our initial interview to our last dance. Our DJ got water for us when he overheard that we were thirsty and assisted in getting hors d'ouvres sent to the bridal party during pictures, along with many more small but wonderful touches throughout the night."

–Heidi and Terry Trammel
Wildwood Acres

"Our wedding was great! Your company handled everything with positive energy and professionalism. Your DJ turned out to be a jack-of-all-trades. He deftly handled our request for two set-ups. He rearranged speakers as needed during the reception and ceremony. Most importantly, he played the perfect songs for a night of dancing that continued on until 1:00 a.m. Thanks for everything!"

–Brian & Gina Safin
Redwood Ridge Estates

"We just got back from the honeymoon and we have just had the best time ever! Our friends and family were so pleased with everything. We got the most compliments on the DJ!! Family and friends were very impressed on how he handled all the kids with the cartoon activity and kept the dance floor packed all night long. At 10 p.m., we had already left and people were still dancing! Kevin had some great ideas, that even though I was a little worried because I didn't know what he was doing, I trusted him and it was a blast! Perfect, just perfect! Thank you so much!"

–Gwen Nokes
Bridges Golf Club

"From the minute the formal dances were over, the dance floor was jumping and didn't stop until the night was over. He read the crowd beautifully!"

"Thank you so much, Sue. I have to tell you how appreciative I am of how you are so willing to help with anything you can. You and your company really stand out against others who are just not the same way. It's so nice when people in the wedding industry realize that, while you guys do this every weekend, all year long, this is the one and only time for us and you really want to help us make it as special and perfect as we can."

"Having you for our wedding was the one decision that made the reception what it was. Our guests loved the music and were on the dance floor nonstop the whole night. We kept getting great comments from our guests for weeks after the wedding. We agonized over whether to hire a DJ or a band, but going with D & D was definitely the right choice. The selection of music could not be beat. He played everything from rap to funk to oldies to slow songs, across multiple decades and the guests LOVED it. We can't wait to recommend you to our friends. I will also be posting a vendors review on weddingchannel.com. I'd be happy to point other brides your way. Thank you for the huge role you played in making our wedding reception a BLAST!"

"From our first contact with your company until and through the wedding day, everyone at your organization was responsive, professional and friendly. Planning a wedding is an extremely stressful process no matter how you cut it, and all through the months leading up to the wedding, one of the things that kept me sane is 'at least I don't have to worry about the music'. I knew I could trust you guys from my contact with you over the phone, and my expectations were filled completely at the wedding. Customer service like you give is rare these days and we truly are appreciative. Thank you from the bottom of our hearts, for giving us our dream wedding. We will cherish the memories of that amazing day for the rest of our lives. Best of luck (you deserve it)."

"I must say that you were amazing! All of my family and friends were blown away. All I heard as people were leaving my wedding was how great the DJ was. I think everyone that does not have a conviction against dancing was out on the dance floor at one time or another. We had a blast! He read the situation and ran the reception wonderfully. It did not go as I saw it in my head but it was so perfect. Everyone had fun even Ed and I. I recently arrived home from my honeymoon and all my sisters said everyone is saying, "THAT WAS THE MOST FUN WEDDING I'VE EVER BEEN TO!!!"

–**Jessica & Ed**

"Your talents for reading the crowd, choosing the right music & creating a fun atmosphere were exceptional. We thought there would be some dancing at our wedding, but we were thrilled when everyone danced and the dancing just kept on going! –**Rhonda Wade**

"The problem with most DJ's in the area is that you can't sample what you are getting before committing. Denon & Doyle offered the perfect solution...the function where we could meet the DJ's. You immediately made us feel very comfortable with you."

–**Kristine & Scott Nemes**

"Denon & Doyle was our favorite & most professional wedding vendor. Everything was trouble free- and all questions and requests were met with responsiveness & enthusiasm. We were terrified of a "bad DJ experience" –which virtually all of our married friends have had. But my husband, myself and our families & friends can't say enough good things about you! We are so glad we went with Denon & Doyle for our wedding!"

–**Jennifer Chamberlain**

"Thank you for being a vendor that I didn't have to worry about!! I was impressed with your Showcase and hired you on the spot."

–**Jessyca Wallace**
Hotel Sofitel, May 21, 2005

"I absolutely believe that the wedding would not have been the smashing success it was without the right vibe created by you. You kept the crowd moving!!! Two unmistakable signs that people were loving the music:

- 1) everybody shouting 'one more song!' over and over until you gave us just one more.
- 2) as I hugged people goodbye they were soaked with sweat from dancing all night long!

Now that's what I call a good party!! So THANKYOU, THANKYOU, THANKYOU for a truly amazing experience. We KNEW you were going to be great and you were!! We will most definitely refer you to all our friends in need of a fantastic DJ! Best Wishes,"

–**Karen and Mike Rea**
Ironstone Vineyards

"You went above and beyond our expectations! You even helped me pick out a song for the father/daughter dance and even sang it to me. We loved the games and hula-hoops. The showcase not only gave me ideas for songs & event flow, but it allowed me to meet the DJ's in person. I found you very professional and extremely friendly. We had a fantastic time! Thank you again!"

"Everyone had a fantastic time! People were dancing all night and didn't want to leave. THANK YOU for helping us to execute the wedding of our dreams."

–**Adam Pereira**

"We just got back from our Honeymoon last night. Michael and Dave were absolutely amazing! They even went to the trouble of bringing water and appetizers out to the bridal party during our pictures (it was so hot outside that day!). I have had many people comment on how great the music and the DJ were, the only complaint was that we couldn't make the night last longer :) Please let Michael and Dave know that we are extremely appreciative of everything, they did a wonderful job. Working with Mark Haggerty prior to the event was amazing too, he is incredible. Denon & Doyle was one of the most professional and accomodating vendors we worked with and it made our experience that much better! I will be recommending you guys to EVERYONE (actually I already have). We couldn't have asked for a better DJ!"

–**Jennifer & Justin**

"Thanks so much for the enjoyable Showcase last week. We were a little grumpy after battling rain & rush hour to drive up from San Jose, but we were in a great mood after we left. It's such a relief to have this checked off our list – and in such capable hands! We will be sending in our signed proposal shortly – just figuring out if we need any of the options. Thanks again."

–**Amy Goerges & Steve Giachetti**

"I can not thank you enough for the most wonderful, thoughtful, smiling, friendly, hardworking DJ. You were on 'our side' like a very good friend looking out for our interest. You were more than we expected and have raised the bar for all DJ's in the world. Thank You! Thank You!! Thank You!!!"
